Mammal Facts

- Wild animals are not pets.
- A single chipmunk can gather up to 165 acorns in a day.
- The Virginia opossum is the only marsupial native to North America.
- Beavers can alter their habitats to suit their needs. They are “ecosystem engineers.”
- Black squirrels are a dark phase of gray squirrels and fox squirrels.
- A fox can hear a mouse squeak 100 feet away.
- Ohio’s state animal is the white-tailed deer.
- A skunk’s spray can hit a target accurately up to 12 feet away.
