Kevin P. Clinton Wildlife Center

# WISH LIST

*Rufous the Eastern screech owl*

## OHIO'S WILDLIFE NEEDS YOUR HELP!

The Kevin P. Clinton Wildlife Center relieves the stress of human impact on wildlife populations through human education and wildlife rehabilitation. It offers quality education programs and operates a Wildlife Helpline to provide information on Ohio's native wildlife. Injured, orphaned or sick animals are given appropriate care so they may be returned to the wild. Special attention is given to animals whose populations are declining.

In order to improve the care of animal patients, items listed below (new or gently used) are needed:
