UNIT PRICE LIST

Each Bidder shall be required to submit Unit Prices for each of the items listed on the Unit Price List

Unit prices as indicated on the Unit Price List are for furnished and installed work and shall govern for all **additions** to or **deductions** from the work. These unit prices are to govern not only for the addition or deductions in connection with the design work covered by these plans and specifications, but also for other work located on the premises for which plans may later be prepared. These unit prices shall include all overhead and profit as well as cost of labor and material. Unit prices shall remain valid until a Certificate of Substantial Completion has been issued.

Unit prices are to be net for items supplied and installed complete, and are to include all incidental items. (Ex. grading, topsoiling, cutting, staking, minor clean-up and demolition)
