

# Children, Wildlife and a Better Future for all

*This past year, our Wildlife Center staff had the pleasure and privilege of visiting school classrooms, assembly programs, youth groups and community organizations.*

*Our program highlights often include a visit from one of the Wildlife Center's education animals; an owl, a hawk, an opossum or a snake. These Wildlife Ambassadors help us teach about the value of conservation.*

*The Wildlife Center thanks the following educational facilities for inviting us to share a wildlife program in 2007:*

*In 2007, large community events such as the Ohio Sportsman Show, the Lake County Fair and the Great Geauga County Fair presented the Wildlife Center with opportunities to reach many new audiences. We sincerely thank the many clubs, organizations, camps and scout groups that hosted a Lake Metroparks Wildlife Center program in 2007. It is because of you that we are here!*
