Description of cache and contents:

Permit is valid for two years after the date issued. After that date, the cache must be moved or removed and the new location re-permitted.

We request that you monitor this cache monthly and you maintain it to be family-friendly. This means the cache will not contain food, alcohol, firearms, drugs and dangerous or adult items.

We also require that you direct people seeking your cache to follow established trails most of the way to your cache. We discourage off-trail hiking as it negatively impacts the environment.

Please direct any question or concerns to Alexis Reed, Outdoor Education Specialist 1 at the Environmental Learning Center 440-256-2118 x4729 or areed@lakemetroparks.com.

I have read and understand the terms of this permit and agree to comply accordingly. I will retain a copy of this permit for my records.
