

Farmpark Activities

Hands-on milking: Learn about dairy cows and have an opportunity to milk one of our bovine beauties.

Machine milking: Do farmers still milk their cows by hand? Watch our demonstration and see the machine milk our dairy cows.

Animal encounter: Many different farm animals call the Well-Bred Shed home. Meet one of these animals and learn why farmers raise them.

Wonders of wool: Learn how raw wool can be cleaned and processed into fiber used for spinning, felting, weaving, and more.

Harnessing demonstration: Learn about the pieces and parts of harnessing equipment and see the steps involved in harnessing and/or unharnessing our horses.

Horse grooming: Learn the basics of how to groom and tack a horse.

Equine demonstration: From stall to saddle, this demonstration may include riding, driving, and more.

Meet the breed: Meet one of our horses and learn about their breed characteristics, history, and how they are useful on a farm.

What's buzzing with the bees?: View our bee keeping and honey harvesting equipment and observe our indoor beehive.

Hydroponics tour: Did you know you can grow plants without soil? Explore our hydroponics and learn about the science of growing and gardening using water.

Gift Shop: Pick up some wool from Farmpark's sheep, Ertl tractors, home decor, plush animals, and more!
