TO: All Vendors
RE: Purchasing Procedures

Before providing goods or services to Lake Metroparks, vendors must be aware of and follow these important procedures.

1. A completed and signed W-9 must be on file in the Finance Department at Lake Metroparks prior to issuance of a Purchase Order.
2. A Purchase Order Number must be assigned for the purchase of all goods or services.
3. **All freight shipments less than 150 pounds must ship to Lake Metroparks using OUR UPS ACCOUNT NUMBER.** Failure to do so will result in back charges to the vendor. Please contact Lake Metroparks' Procurement Department for the account number.
4. Lake Metroparks will not pay invoices if a purchase order is not on file with the Finance Department. All goods purchased without a purchase order and invoiced are the responsibility of the individual placing the order.
5. Vendors supplying goods or services without a Purchase Order Number do so at their own risk.
6. All invoices and shipping documents must indicate the Purchase Order Number to which the billing or shipment applies. Lake Metroparks will return invoices unpaid to the vendor not referencing a Purchase Order Number.
7. Send ALL invoices to the Administrative Offices to the attention of the Finance Department.
8. Independent Contractor Acknowledgement: All individuals employed under a Lake Metroparks contract that provide services to Lake Metroparks are not considered public employees for the purpose of Ohio Public Employees Retirement System (OPERS) membership. All Independent Contractors must complete the attached PEDACKN form and return it to the Finance Department before payment for services can be rendered.

Sincerely,

Christopher J. Brassell, CPA

STEP 3: Acknowledgment

The public employer identified in Step 2 has classified you as an independent contractor or another classification other than a public employee. Ohio law requires that you acknowledge in writing that you have been informed that the public employer identified in Step 2 has classified you as an independent contractor or another classification other than a public employee for the services described in Step 2 and that you have been advised that contributions to OPERS will not be made on your behalf for these services.

If you disagree with the public employer's classification, you may contact OPERS to request a determination as to whether you are a public employee eligible for OPERS contributions for this service. Ohio law provides that a request for a determination must be made within five years after you begin providing personal services to the public employer, unless you are able to demonstrate through medical records to the Board's satisfaction that at the time the five-year period ended, you were physically or mentally incapacitated and unable to request a determination.

By signing this form, you are acknowledging that the public employer for whom you are providing personal services has informed you that you have been classified as an independent contractor or another classification other than a public employee and that no contributions will be remitted to OPERS for the personal services you provide to the public employer. This acknowledgment will remain valid as long as you continue to provide the same services to the same employer with no break in service regardless of whether the initial contract period is extended by any additional agreement of the parties. You also acknowledge that you understand you have the right to request a determination of your eligibility for OPERS membership if you disagree with the public employer's classification. **A copy of this form must be sent to OPERS.**
